**GOVERNMENT OF MIZORAM.**  
**OFFICE OF THE ENGINEER-IN-CHIEF, PUBLIC WORKS DEPARTMENT.**

**CIRCULAR**

Dated Aizawl, the 20<sup>th</sup> March 2024

***Subject: Advance Action for encountering coming Monsoon 2024.***

As we are aware, monsoon rainfall had adversely affected road transportation in the past within the State, thereby disrupting supply of food grains and other essential commodities to various parts in the State. Hence, all concerned Divisions are informed/ instructed to give due attention to road maintenance works so that the maximum maintenance works are completed before the onset of monsoon.

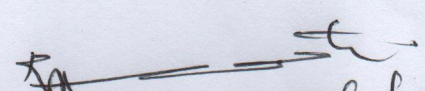

Moreover, side drains and jungle clearances and proper cleaning of choked culverts should be given utmost importance to avoid damages to road surface as well as masonry structures.
